

# LEAD TEE JOINT CLOSURES

## EXTRUDED JOINT CLOSURE FOR COPING STONES

### OVERVIEW:

Closes joints between parapet cap stones permanently and maintains old-world landmark or any coping stone replacement projects. The Lead Tee can be used in all coping stone joints.

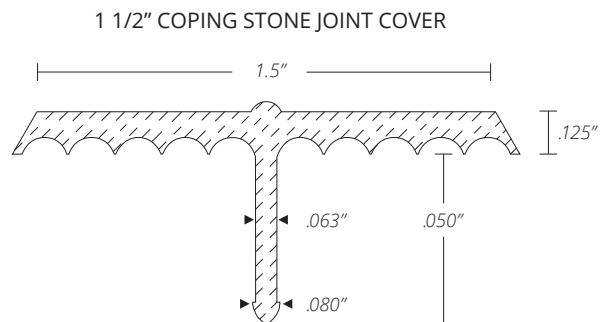

### FEATURES:

Available in two sizes:  
1 1/2" & 7/8" wide profiles.  
6' lengths

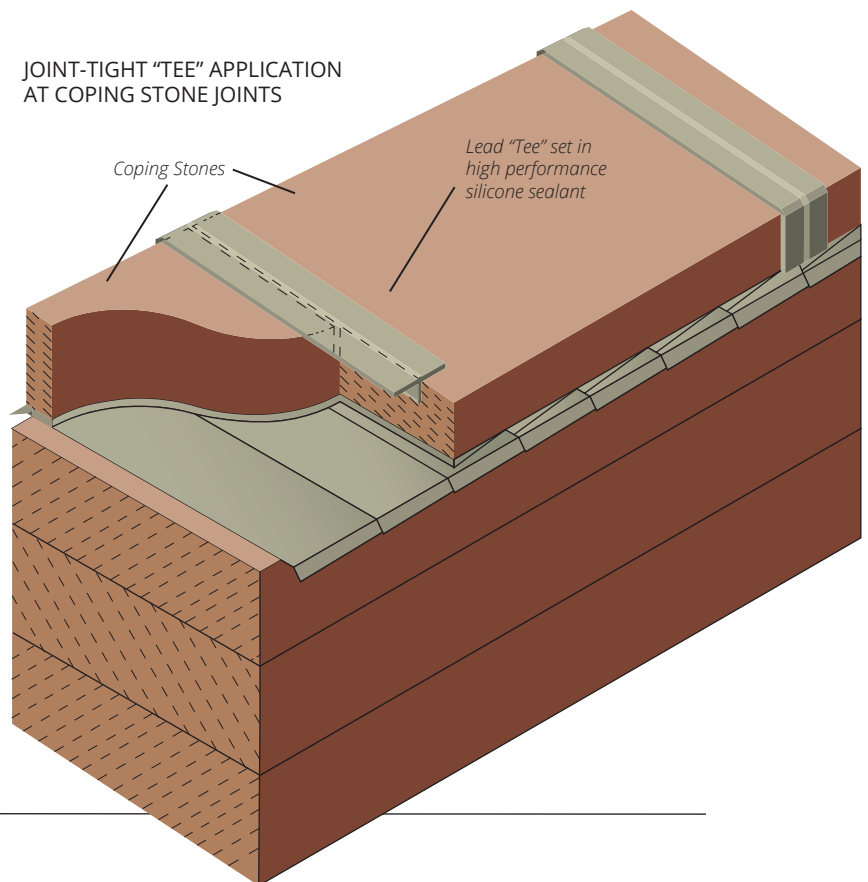

### INSTALLATION:

**SEALANT:**  
Set in high performance silicone sealant.

**LEAD TEE:**  
Wrap around coping stone, cut to required length in field.
